

McAfee - State - 31 January 1963

1. How many planes and what types did the Cubans have prior to the Bay of Pigs?
2. How many planes and what types were destroyed by the first strike?
3. How many and what types were engaged in repulsing the Bay of Pigs assault?
4. The Secretary remembered something about one MIG doing battle. He had two questions about this.
 - a. Was there such a report?
 - b. Was it confirmed if there was such a report?
